

Standard Inspection Card

Please note that the equipment listed below is not comprehensive but only a guide for use by the LO300 inspector. An inspector cannot limit or reduce the complete and unlimited responsibility of the owner and the person in charge to have the boat comply with all of the requirements set out in Appendix A at the start of the race. A completed and signed copy of the card should be given to the race committee prior to the skippers meeting.

- **PERSON IN CHARGE** please prepare the boat and sign the card.
- **INSPECTORS** mark each item with a tick or cross in the check box. Write an additional report if necessary. Return the card to the person in charge.
